Dear Chuck:

On behalf of the NACCED Awards Committee, I am pleased to inform you that you are the winner of the 2008 NACCED Award of Excellence in the category of Homelessness Coordination/Assistance. The committee was very impressed by your project and the hard work that has gone into making it a success in your community.

NACCED invites you to attend its Annual Business Meeting and Awards Luncheon, September 9th at Noon, at the Omni Hotel at CNN Center in Atlanta, GA. There will be a presentation featuring your project along with the other winners for all attendees to see. For more information on the luncheon and Annual Conference, please follow up with my staff at 202-367-1149. We encourage you to invite others who participated in the project to attend.

Congratulations and best wishes in the field.

Sincerely,

John C. Murphy
